

Category (科目区分)	Cluster of Pathology and Pathology System		
Course Title (授業科目名)	Oriental Medicine/practice		
Instructors (担当者名)	Hajime Nakae	Academic Year (配当年次)	1st and 2nd grade
Required Course / Elective Course (必修/選択)	Elective course	Credits (単位数)	1
Class Format (授業形態)	Webclass (on demand)		
Schedule (開講期間)	December, 2024 to March, 2025. Correspond with registerers through e-mail		
Class Date/Period (開講曜日・時間)	Correspond with registerers through e-mail		
Course Outline/ Course Objectives (授業の概要・到達目標)			
Objective Learn about oriental medicine			
Learning goal Explain the indication of principal Kampo medicine and its pharmacological action. Perform acupuncture and moxibustion therapy.			
Outline Western medicine is scientific and based on evidence. Oriental medicine on the other hand places primary importance on the constitution and characters of individual patients. Moreover, it is holistic medicine wherein mind and body are regarded as unified; the aim of oriental medicine is harmonization of the disordered whole individual. The quality of treatment strategies may improve by utilizing every available medical resource and practice such as Western medicine and Oriental.			
Course Planning (授業計画)
